

# Oh! *What A*

**C**ongratulations to the winners and participants of the Beautiful Baby contest! We received hundreds of entries which we hope to share with you over the coming issues of *Miniature Horse World*. If you entered the contest, but your foals were not registered yet, do not despair! We have some great photos just waiting to be published, so register those foals today and look for your pictures in an upcoming issue!

Due to the overwhelming success of the contest this year, we have decided to award first through third honors in three categories: Beautiful Baby, Mare and Foal and Best Pair. We hope you enjoy these pictures as much as we did!
